

Nigel, just a quick courtesy note to offer our appreciation for the service we have received from your selves, and in particular the service on the internal slabs.

As you are no doubt acutely aware, the internal slabs on the I Port projects are under intense scrutiny, and therefore we need a consistent supply from both a timing perspective as well as a mix quality perspective, both of which you have supplied with ease.

We would note that following the last 3 sheds you have completed for us, totalling 500,000 sqft of internal slabs, plus the yard slabs and foundations, that you have been named by the client as a preferred supplier for concrete on their future projects.

We would look forward to working with you on the future schemes.

Thanks

Sean

To the right of this text is a red silhouette of two people, one slightly behind the other. Further right, the text 'time to change' is written in white on a red, tilted rectangular background. Below that, in smaller black text, is 'let's end mental health discrimination'.
