Subject: Re: Reference

Hi Nigel,
Please let me know who I need to send the reference to.
I have no doubt at all that you guys at Ever Readymix would have no problem supplying 150m³ per day for 5 weeks as you supplied us circa 300m³ per day for nearly 6 months and we had excellent service in rates of supply per hour allowing us to get the concrete laid by early afternoon!
More importantly the quality of the concrete was excellent
If we were doing the job we would definitely be using you guys to do it ! You may remember that when we priced that job at tender stage we used you guys for our price.
Please send me the contact details for the reference or you are welcome to just forward this email on.
Best regards
Pat

Hi Pat,

Looking for a favour when you get a minute

We are trying to win a job from C R Reynolds, it's the new lorry park at Wren Kitchens, Barton Upon Humber, we have spoken about this previously.

They are looking at a supply of 150m³ per day 5 days a week for 5 weeks so around 3750m³ total

As you can imagine we would like to supply this, I have mentioned to Callum, the buyer for this project, about the service we gave you at Wren.

The MD at C R Reynolds is leaning towards using Breedon as he believes they would be more suited & reliable than us, don't ask me why !!!

If you could spare 5 minutes of your time to send me a quick email stating the experience you have had whilst using us I would really appreciate it.

If you want to make it for the attention of Callum Noble, C R Reynolds, that would be great

Please reply to all in this email as I am away from end of play tomorrow so may not be me who forwards your email to Reynolds

Cheers

Nige
